Subject: Comments welcome by Friday at noon: Draft Fact Sheet on PFC Health Advisories
Attachments: DraftPFOAPFOSCommunication_2 16 16.docx

Hi everyone:

We've been asked to quickly review OW's draft fact sheet on the PFOA/PFOS health advisories. It is short (2.5 pages) and covers health effects, exposure, etc.

Can you get any comments to me by Friday at noon? I haven't looked at it yet myself for a first sweep, but in the interest of time, I thought I better get it to you!

Lynn Flowers, PhD, DABT
Associate Director for Health
National Center for Environmental Assessment
US EPA
Washington, DC

Bob,

This was sent to Tom B., so I'm forwarding it to find out who is looking at it. Note that it covers risk, exposure and treatment. We can coordinate if desired.

Fred
